Both envelopes are to be enclosed in a large envelop addressed to the **Chief Scientist AICRP on Water Management, Marathwada Krishi Vidyapeeth, Parbhani – 431402 (M.S.)** and submitted **on or before 29-03-2012 up to 15.00 hrs.**

**Chief Scientist
AICRP on Water Management
Marathwada Krishi Vidyapeeth, Parbhani**

TERM AND CONDITIONS

1. The tender should be accompanied with the earnest money deposit (**EMD**) at the rate of 1% for the value of the items quoted by the tenderer. The **EMD** will have to be deposited in the form of DD/C.D.R./Banker's cheque (nationalized bank only) drawn in favour of **Comptroller, Marathwada Krishi Vidyapeeth, Parbhani**. If the EMD is not enclosed, the tender will be rejected. The EMD deposited by a firm or a person whose tender is accepted will be returned after the decision is taken on the said tender or after six months of successful demonstration of the equipment.
2. All the articles will have to be supplied FOR Parbhani at AICRP on Water Management, MKV Parbhani
3. The equipments and all other components should be of the approved quality, or as per the sample called for a specific case or the specifications as given by this office in the tender. The articles which do not conform to the approved specifications and consequently rejected will have to be replaced at the cost of the firm or supplier. In the absence or unsatisfactory supply, the articles will be rejected and corresponding cost will be deducted from the supplier's bill.
4. The details with all specifications make of equipments and also authorized dealer Certificate from company should be accompanied with tender.
5. It is within the discretions of the Chairman Purchase Committee to increase or decrease the quantity of purchase and/or to relax the conditions in exceptional circumstances.
6. The articles should be supplied within a period of 90 **days** time limit from the date of issue of the orders for supply. In case of failure the chairman shall have the right to purchase the article from the open market and to make good loss from the firm or supplier from his EMD or to impose a penalty @ Rs. 50/- per item per day for the period for delay in supply. The decision of the **Chairman, Purchasing Committee, MKV, Parbhani** in the matter will be final.
7. It is open to accept even higher rates or to reject or to recall the tender without assigning any reason. It is discretionary power of the **Chairman, Purchase Committee, MKV Parbhani** to reject/accept tender without scrutiny and any prior reason.
8. The rate of each item needs to be stated separately. The rates should be quoted in the space provided in the tender form only. Each paper should be signed by the tenderer.
9. The rates should be quoted as per tender specifications only, rates without the specifications will not be considered.
10. The tender should indicate the rates in metric system of weights and measures thereof showing conversion rate, it should be allotted in the unit shown in the tender form only.
11. The rates quoted by the firm/agency will be considered by the Tender Opening Committee and will be negotiated with the agencies for arrival at the final cost, if necessary.
12. The Purchase Officer, Marathwada Krishi Vidyapeeth, Parbhani will not pay octroi, taxes or demurrage of the Municipal Council. The firm will be responsible for such payment.

13. The supplier should note that, the rates should be inclusive of VAT, packaging, loading and unloading, forwarding, transportation, insurance etc. in this context rate will be presumed to include all these charges
14. Installation and demonstration of the instruments/ equipment with satisfactory performance should be given before the payment is made to the Firm/Supplier. Payment will be made after satisfactory report is received from the concerned Intender/Scientists/Officer in Charge.
15. The tender cover must bear the work of “**Tender for Supply of instruments/ equipments at Water Management**” and should be addressed to Chief Scientist, AICRP on Water Management, **Marathwada Krishi Vidyapeeth, Parbhani (M.S.)- 431402 (MS)**.
16. The goods should be dispatched at Firm’s risk, however, the Firm will be responsible until the entire items are supplied in good conditions at the destination.
17. The material should have guarantee/warranty of one year from the date of installation. The material should be replaced at the cost of supplier within that period and the down time will be 15 days only.
18. The tender must be registered under **CST and MST etc.** Attested copy of such certificate must be enclosed in envelop ‘A’ of the tender.
19. The prescribed tender forms will be available in the office of the **Chief Scientist, AICRP on Water Management, MKV Parbhani** and can be purchased on payment of **Rs. 500/-** in the form of **DD/Banker’s cheque (nationalized Banks)** payable in the name of **Comptroller, Marathwada Krishi Vidyapeeth, Parbhani up to 29/03/2012** and on the website of university by paying additional **Rs. 500/-**. Website of the university is <http://mkv2.mah.nic.in>
20. The rate should be valid up to one year from the date of opening tenders.
21. If the Firm is under partnership, in that case attested copies of partnership deed certificate and power of attorney should be attached in the **Envelop A**.
22. Failure to observe any of the conditions mentioned above will result in the cancellation of the tender.
23. The **security deposit @ 4%** should be deposited in the form of **DD (nationalized Banks)** in the favour of **Comptroller, Marathwada Krishi Vidyapeeth, Parbhani** by the Firm whose tender is accepted. The said amount will be returned after six months of successful demonstration of system with EMD.
24. The party should give assurance of maintenance support for further period of five year after guarantee period. In such case University will enter into AMC contract, if required.
25. For imported equipments, the original proforma invoices from principal manufacturer should be sent within a period of fortnight. Moreover, the suppliers / tender should complete the clearance of the imported equipments.
26. MKV reserves the right to accept / reject the tender in part / full, alternation/changes in the terms and conditions or to terminate the process at its own discretion. Any dispute / court matter in the process/work will fall under the Parbhani jurisdiction.

LIST OF INSTRUMENTS / EQUIPMENTS

Sr. No.	Name of the Instrument	Specifications/ Size
1	TDR soil moisture meter (Hand Held)	<p>Consisting of 1. Soil moisture probe/ sensor for large soil measuring volume (15x15 cm) and for heterogeneous soils, insertion directly in soil or tube access for insertion for lower soil depth, DC Power Supply, moisture range 0-40% and 40-70%, accuracy 1 to 2%, soil temperature range 5 to 50 °C, Standard calibration for most soils, facility to store soil moisture curves for calibration, water proof body for probe-sealed, rod length 100 to 150 mm standard suitable for surface and profile soil moisture measurement</p> <p>2. Portable measurement device to connect to probe, battery and charger, carrying case, continuous measurement should be possible, possible to operate at wide range of temperatures, able to connect to similar probes at multi locations, cable for connection 3 m length, port, accumulator, bus protocol, optional-able to measure other parameters such as temperature and salinity, etc.</p> <p>3. Access tube of at least of 60 cm depth if any for guiding the probe, tube material of international standard and approved quality with minimum disturbances in measurement</p> <p>4. Soil auger kit for insertion of above access tube, easy drilling, ram, support, guiding rod, handle, etc.</p> <p>5. Optional accessories such as precision probe for temperature or soil salinity probe and others</p> <p>6. Data acquisition system- free laptop, installation, servicing and training free, warranty for 3 years with free AMC.</p> <p>7. Quote the prices in Indian currency</p>
2	Hand Held GPS	<p>Advanced Hand Held GPS for tracking smallest object, portable mapping system, software and post processing option, battery, battery charges, carrying case, real time accuracy 1-2 m, post process accuracy minimum of 50 cm, raw data should be accessible, operating system windows, communication by GSM/GPRS/Wifi/Bluetooth/ USB port, SDRAM 128 to 512 MB Flash with micro SDHC, display at least of 4", minimum weight, should be operative in wide range of temperature, waterproof, at least 24 hours power, antenna</p> <p>Data acquisition system, free installation, servicing and training, warranty for 3 years with free AMC. Prices in Indian currency</p>
3	Current Meter/ Open Channel Flow Meter	<p>Able to measure water flow in channels with varying channel depth, minimum discharge capacity 30 lit/sec and channel section minimum 25 x 50 cms with upstream and downstream channel, accompanied by counter and totalizer, weather proof, accuracy- 0.1 to 0.2%, resolution -1 mm, counter with digital LCD display, standard and of approved quality.</p> <p>Installation & training free, free AMC and warranty for 3 years</p>
